

Office Safety Precautions in Effect During the Pandemic

MN Couple Therapy Center is taking the following precautions to protect our clients and help slow the spread of the coronavirus.

- Office seating in the waiting room and in therapy/testing rooms has been arranged for appropriate physical distancing.
- Staff wear masks in public areas and maintain safe distancing.
- Restroom soap dispensers are maintained and everyone is encouraged to wash their hands.
- Hand sanitizer that contains at least 60% alcohol is also available in the office.
- We schedule appointments at specific intervals to minimize the number of people in the waiting room.
- We ask all clients to wait in their cars or outside until no earlier than 5 minutes before their appointment times.
- Areas that are commonly touched are thoroughly sanitized after each use.
- Physical contact is not permitted.
- Tissues and trash bins are easily accessed. Trash is disposed of daily.
- Common areas are thoroughly disinfected at the beginning of each day.
